THE STATE KEY LABORATORY OF PHARMACEUTICAL BIOTECHNOLOGY

L8-33A, Li Ka Shing Faculty of Medicine, 21 Sassoon Road, Pokfulam, Hong Kong • Tel: (852) 28199747 • Fax: (852) 28162095 • [www.sklpb.hku.hk](http://www.sklpb.hku.hk)

**Post-doctoral fellow in the State Key Laboratory of Pharmaceutical Biotechnology and Division of Endocrinology of the Department of Medicine** (Ref.: (from as soon as possible for three year, with the possibility of renewal)

Applicants should possess a Ph.D. degree in biomedical science or equivalent with a strong background in molecular biology, histology, tissue culture, gut microbiology and animal experimentation. The appointee will work on a research project that involves the gut microbiota in the obesity-related medical complications. A highly competitive salary commensurate with qualifications and experience will be offered, in addition to annual leave and medical benefits.

**Applicants should send a completed application form, together with an up-to-date C.V., a publication list with names and contacts of three referees to whom the applicant's consent has been given for their providing references, to Prof. Aimin Xu (e-mail: [amxu@hku.hk](mailto:amxu@hku.hk)). Closes 30th May, 2014.**

The University places great emphasis on staff development to help staff develop potential, and has in place a variety of development opportunities catered for staff at different stages of career development.

The University thanks applicants for their interest, but advises that only shortlisted applicants will be notified of the application result.
